Item No. 12

Meeting Date: APRIL 12, 2012

### **Subject:**

Award a Contract to Built Pacific, Inc., for Quieter Home Program Phase 6, Group 3 (48 Units Located on 3 Historic Properties and 36 Units Located on 2 Non-Historic Properties, for a Total of 84 East Side Apartment Units)

#### **Recommendation:**

Adopt Resolution No. 2012-0041, awarding a contract to Built Pacific, Inc., in the amount of \$1,434,158.40, for Phase 6, Group 3, Project No. 380603, of the San Diego County Regional Airport Authority's ("Authority's") Quieter Home Program.

# **Background/Justification:**

The Quieter Home Program ("Program") provides sound attenuation treatment to residences within the highest noise-impacted neighborhoods surrounding San Diego International Airport ("SDIA"). Phase 6, Group 3, project includes installation of new acoustical windows, doors, insulation, and ventilation improvements to reduce aircraft-related noise levels inside the homes. This project will provide sound attenuation to 48 units located on 3 historic properties and 36 units located on 2 non-historic properties, for a total of 84 east side apartment units.

To date, the Program has completed 2,141 residences, of which 579 are historic and 1,562 are non-historic; 1,370 residences are located west of SDIA and 771 are located east of SDIA.

Project No. 380603 was advertised on February 7, 2012, and bids were opened on March 8, 2012. The following bids were received: (See Attachment A).

Company	Total Bid
Built Pacific, Inc.	\$1,434,158.40
Atlas Development Corporation	\$1,569,549
S&L Specialty Contracting, Inc.	\$1,682,550
G&G Specialty Contractors, Inc.	\$1,687,140

Engineer's Estimate is \$1,325,000 (See Attachment A).

The low bid of \$1,434,158.40, is considered responsive, and Built Pacific, Inc., is considered responsible. Award to Built Pacific, Inc., is, therefore, recommended in the amount of \$1,434,158.40.

# **Fiscal Impact:**

Adequate funds for FY2012 and FY2013 expenditures, under the Built Pacific, Inc. contract, are included within the operating budget in the Authority's Quieter Home Program. Sources of funding include Airport Improvement Program Grants and Passenger Facility Charges.

#### **Environmental Review:**

- A. This Board action is a "project" subject to the California Environmental Quality Act ("CEQA"), Pub. Res. Code Section 21065. The individual projects under the Quieter Home Program are part of a class of projects that are categorically exempt from CEQA, as amended. 14 Cal. Code Regs. Section 15301 – "Existing Facilities: Class 1 consists of the operation, repair, maintenance, permitting, leasing, licensing, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of use beyond that existing at the time of the lead agency's determination."
- B. This Board action is a "development" as defined by the California Coastal Act, Pub. Res. Code Section 30106. The individual projects under the Quieter Home Program will consist of treatments to single family and multi-family dwellings. Improvements to single family homes are exempt from coastal permit requirements under Pub. Res. Code Section 30610(a) and 14 Cal. Code Regs. Section 13250 "Improvements to Single Family Residences." The proposed improvements to multi-family residences are exempt from coastal permit requirements under Pub. Res. Code Section 30610(b) and 14 Cal. Code Regs. Section 13253 "Improvements to Structures Other than Single Family Residences and Public Works Facilities that Require Permits."

# **Equal Opportunity Program:**

The Authority's small business program promotes the use of small, local, disadvantaged, and other business enterprises, on all contracts, to provide equal opportunity for qualified firms. By providing education programs, making resources available, and communicating through effective outreach, the Authority strives for diversity in all contracting opportunities.

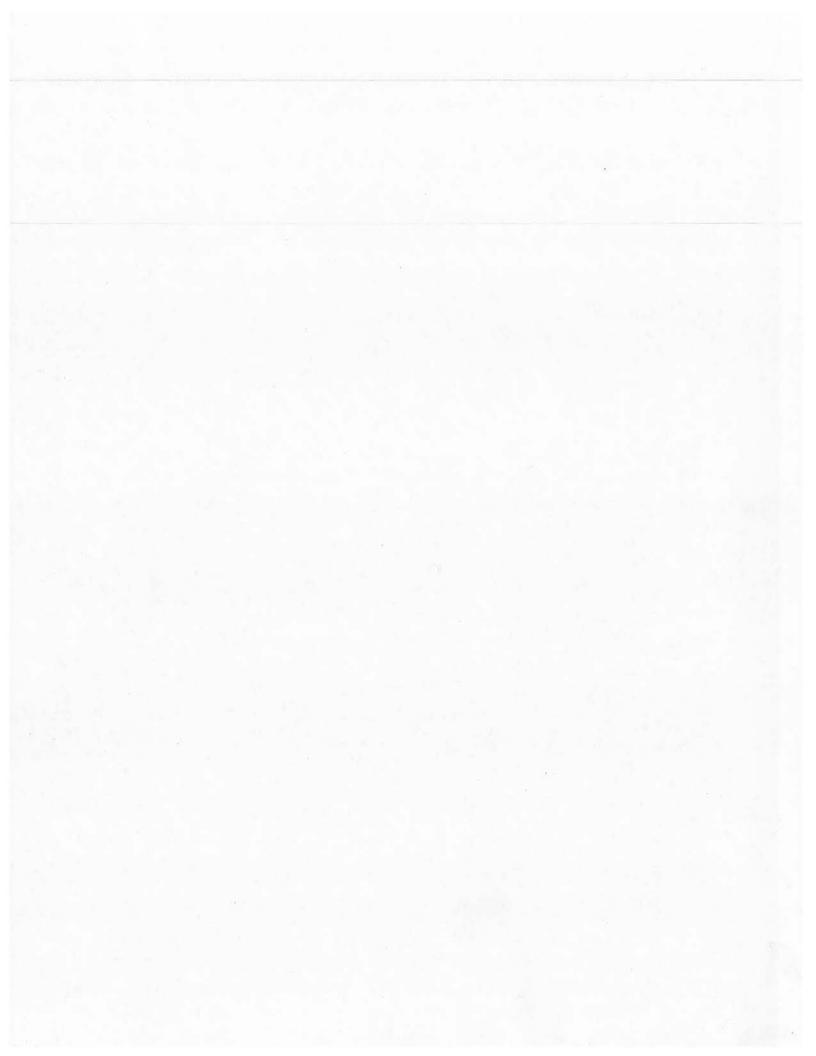

The Authority has a Disadvantaged Business Enterprise ("DBE") Plan as required by the Department of Transportation, 49 CFR Part 26. The DBE Plan calls for the Authority to submit an annual overall goal for DBE participation on all federally funded projects.

# Page 3 of 3

This project utilizes federal funds; therefore, it will be applied toward the Authority's overall DBE goal. Built Pacific, Inc. is proposing 20% DBE participation on this project.
