5.0 LANDSIDE OPERATIONS

5.1 General Traffic Regulations

A. Authority

Unless otherwise provided herein, the Authority shall establish regulations relating to vehicles pursuant thereto. The regulations shall include but are not limited to regulations for parking, standing, stopping, access roadways, one-way roadways, interior service roads, through roadways and other vehicular traffic areas, traffic lanes, signal devices, roadways, speed restrictions, crosswalks, safety zones, and bus stops.

Matters pertaining to all forms of commercial ground transportation, licensing and registration, limitations on roadway use are included in Annex 3.

B. Traffic Control Devices

The Authority shall erect, or cause to be erected, all signs, markers and devices pertaining to vehicular traffic control within the boundaries of the Airport, and such signs, markers or devices shall be prima facia evidence that they were erected or placed pursuant to said regulations and under proper authority.

C. Pedestrian Right of Way

The operator of any vehicle shall yield right-of-way to a pedestrian who crosses a roadway, access way, designated crosswalk or drive, except where the movement of vehicular traffic is being regulated by Airport Traffic Officers, Harbor Police Officers or traffic control signals.

D. Vehicle Condition

No person shall operate at the Airport any vehicle which: (1) is so constructed, equipped, or loaded, or which is in such physical or mechanical condition, as to endanger persons or property, or (2) which has attached thereto an object or equipment (including that which is being towed) which drags, swings, or projects so as to be hazardous to persons or property.

E. Permission

Unless prior written approval is obtained from the President/CEO, only those motor vehicles licensed to travel on the public highways of the State of California shall be permitted on the Airport roadways, access roads, apron, or other vehicular traffic areas.

F. Repairs

No person shall clean or make repairs to vehicles anywhere on the Airport other than in areas designated for this purpose, except for minor repairs necessary with respect to a temporarily disabled vehicle.

5.2 Procedure in Case of Accidents

The operator of any vehicle involved in an accident on the Airport which results in the injury or death of any person, or damage to any property, shall immediately stop such vehicle at the scene of the accident and render such assistance as may be needed. The operator shall give their name, address, operator's license and registration number, and the name and address of their insurance company to the person(s) injured, owner of the damaged property, or to any witnesses of the accident, and shall notify the Harbor Police Department immediately. The operator of such vehicle shall, in addition to all other reports required by other agencies, make a report of the accident as may be required by and in accordance with Federal, State and local laws and regulations.

5.3 Speed Limits

The speed limit at which vehicles may be driven on roadways and other vehicular traffic areas on the Airport, including parking areas, shall be 15 miles per hour unless otherwise indicated on posted signs.

5.4 Closing or Restricting Use of Airport Roadways

The President/CEO, or his or her authorized representative, is authorized to close or restrict the use of all Airport roadways to vehicular traffic in the interest of public safety.

5.5 Public Parking

- A. No person shall park or leave standing any vehicles, whether occupied or not, anywhere on the Airport except in areas specifically designated for that purpose and then only in accordance with the regulations governing the use of said areas as outlined in the Airport Rules and Regulations.
- B. No person shall park a vehicle within any public vehicular parking area except upon the payment of such parking fees and charges as prescribed by the Authority.
- C. No person will enter or use an Airport motor vehicle parking facility or parking space contrary to its posted or restricted use.
- D. No person shall park or leave a vehicle unattended in any Airport motor vehicle parking facility or parking space without having positioned said vehicle in a designated stall or area in such a manner as not to obstruct the proper movement of

other vehicles in the parking facility or utilization by other vehicles or driveways or adjacent parking spaces.

- E. The President/CEO has the authority to store vehicles parked in vehicular parking areas operated by the Authority, for non payment of parking charges.
- F. No person, unless authorized by the President/CEO, or his or her designated representative, or the Airport parking facility operator, shall remove a claim check from an Airport parking facility claim check dispensing machine, other than as an operator of a vehicle entering an Airport parking facility, in which case, such person shall remove only one claim check from the dispensing machine.
- G. It shall be unlawful for any person to remove a claim check or checks from, or to otherwise operate, an Airport parking facility claim check dispensing machine, for the purpose of avoiding or enabling another person to avoid payment of the lawful charge of the use of the said parking facility.
- H. No person shall remove or attempt to remove a vehicle from an Airport parking facility by presenting a claim check other than the claim check originally dispensed to the operator at the time the vehicle entered the parking facility.
- I. No person shall present a parking claim check requiring payment of parking fees upon exiting a motor vehicle parking facility which does not indicate an accurate record of the length of time said vehicle was actually within the parking facility; inaccuracies of time recording equipment excepted.

5.6 Compliance with Traffic Signs

Operators of motor vehicles using the public parking facilities at the Airport shall observe and comply with regulatory and directional traffic signs for entering and departing said facilities.

5.7 Reserved Parking

No person shall park any vehicle in any space marked "reserved" without a valid permit issued by the Ground Transportation Department. All such vehicles shall be allowed only within space or area specifically assigned to them. Parking shall be allowed only within spaces which comply with said designation, and then only for the times officially indicated by such authorized signs.

5.8 Employee Parking Facilities

- A. No person shall park or operate a vehicle on any Airport parking facility established for the use of persons employed at the Airport unless such vehicle has properly affixed thereto a valid and un-expired parking decal or hang tag.

B. No person shall alter, falsify, forge, duplicate or in any manner reproduce or counterfeit a employee parking facility decal or hang tag.

5.9 Loading and Unloading of Vehicles

No person shall stop a vehicle for loading, unloading, or any other purpose on the Airport other than in areas specifically designated for such use, and only in the manner prescribed by signs, markings, voice recordings or other means provided.

5.10 Authorization to Move Vehicles

The President/CEO, or his or her designated representative, has the authority to remove from any area of the Airport any vehicle which is disabled, abandoned, or parked in violation of these rules and regulations, or which presents an operational or security problem to any other area of the Airport and may store the same at the owner's or operator's expense and without liability for damage which may result while removing, towing or storing.

5.11 Commercial Transportation Vehicles

No person shall operate any commercial transportation vehicle(s) on or from the Airport without a valid Ground Transportation Service Permit. The dictates governing commercial ground transportation at the Airport may be found in Annex 3.
