Special Media Briefing on Beginning Construction at Terminal 2

Important Information for Travelers

What: Media briefing about upcoming construction at Terminal 2 and potential impacts to travelers. The media briefing will be followed by a construction site tour with opportunities for live shots and on-site interviews.

When: Thursday, March 11, 2010
10 – 11 a.m.

Why: The media briefing will highlight what residents and travelers will see as visible construction begins on The Green Build:

- Temporary relocation of some parking spaces
- Demolition of Terminal 2 pedestrian bridges
- Construction timeline
- How to stay informed about what is happening at the airport during construction

Visuals will include a construction site tour, maps and animation of the completed project.

Who: Bryan Enarson, Vice President of Development and Jim Myhers, Manager, Ground Transportation

Where: Airport Authority Board Room
Commuter Terminal, Third Floor

*****For those interested in the construction site tour, please wear closed-toed shoes.**

The San Diego County Regional Airport Authority was established by state law in 2003 to operate San Diego International Airport and to address the region's long-term air transportation needs. San Diego International Airport generates some \$10 billion in annual economic impact for the region.
