City of San Diego construction causing traffic delays on Harbor Drive

Allow extra time to get to San Diego International Airport

SAN DIEGO – September 2, 2010 – The City of San Diego is performing roadwork on Harbor Drive. As many as two lanes of westbound Harbor Drive are closed. The construction has caused traffic delays for passengers heading to San Diego International Airport. Passengers are encouraged to factor in additional time to arrive at the airport, and to utilize alternate routes.

Alternate route to San Diego Airport from I-8 heading west: <http://bit.ly/bW2o41>

Alternate route to San Diego Airport from I-5 heading north: <http://bit.ly/bGrVnm>

Alternate route to San Diego Airport from I-5 heading south: <http://bit.ly/coQ4BC>

Additionally, as a result of the roadwork, the airport's Cell Phone Parking Lot is temporarily closed.

For more information on Harbor Drive construction, please contact the City of San Diego: Ken Finnegan, Associate Engineer, Engineering and Capital Projects Department, 858.627.3288.

In 2009, passengers rated San Diego International Airport 88% in overall passenger satisfaction, the highest in six years of surveying.
