

## AOA Driver Application for Non-Movement / Movement Area

TO: President/CEO, San Diego International Airport

The following applicant has a job related need to drive on the Air Operations Area (AOA) at San Diego International Airport (SDIA), and has completed the Authority's AOA Driver Training Program.

The applicant has been briefed and acknowledges and accepts the responsibilities associated with possession of AOA driving privileges at San Diego International Airport. The applicant further understands that AOA driving is a privilege and may be revoked by Airport Operations at any time for failure to comply with all established rules, regulations, and guidelines.
