

## ESCORT AUTHORITY CERTIFICATION

I do hereby certify that the following employee of \_\_\_\_\_ requires escort authority to the Sterile Area or Security Identification Display Area (SIDA) of San Diego International Airport based on the following criteria (circle one):

1. The individual is a direct air carrier employee regulated under 49 CFR 1544; and requires such authority as to execute their employment related duties relative to operations, customer service, or maintenance activities of said air carrier; or
2. The individual is an employee of a contracted company servicing a direct air carrier regulated under 49 CFR 1544; and requires such authority as to execute their employment related duties relative to operations, customer service, or maintenance activities of said air carrier; or
3. The individual is an employee of a contractor servicing the San Diego County Regional Airport Authority; and requires such authority as to execute their employment related duties and contractual obligations to the Authority; or
4. The individual is an employee of a Concessionaire currently restricted by Transportation Security Administration SD 1542-05-10 dated July 6, 2004; and requires such authority as to ensure the continued operation of said concessionaire; or
5. The individual is an employee of a local, state, or federal government agency; and that such authority is necessary for public safety or other regulated functions of said agency.

Employee Name \_\_\_\_\_

SAN ID Badge Number \_\_\_\_\_

I further certify, to the best of my knowledge, that the individual named above has no history of violations of Authority rules and regulations regarding aviation security; or poses no known threat to civil aviation security. I understand that any misrepresentation of information, however slight, may subject me to criminal or civil action in accordance with Authority or TSA regulations.
