Vernon D. Evans, Vice President, Finance/Treasurer, provided a presentation, which included an overview of Parking Management Services, Selection Process, Original Evaluation Matrix, BAFO Evaluation Criteria and Matrix, Service Enhancements for Ace Parking Management, Inc. and Standard Parking Corporation, Comparison of Enhancements, Experience and Qualifications, Plan of Operation, Proposed Fees/Cost, Revised Cost Matrix from September Board Meeting, and Worker Retention.

In response to Chair Gleason regarding why the panel was reconvened to review the BAFOs, Thella F. Bowens, President/CEO stated that the evaluation panel was reconvened at her request in order to maintain the Authority's process of presenting the Board with recommendations for staff reports.

In response to Chair Gleason regarding the price difference and price guarantees, Breton K. Lobner, General Counsel, stated that the contract will address reimbursable expenses as a standard whereby the Authority would reimburse for operations and employees; however, he stated that there is no way to guarantee operating expenses and employee expenses, particularly considering the fact that the Authority controls these operations. He suggested that the proposers define what they are guaranteeing.

JACK RICCHIUTO, CLEVELAND, OH, spoke in support of staff's recommendation and he requested that the Board uphold the process because it was fair.

CLINT JOY, DENVER, CO, spoke in support of staff's recommendation.

KRIS MICHEL, SAN DIEGO, spoke in support of awarding the agreement to Ace Parking.

UNA NELSON-WHITE, SAN DIEGO, spoke in support of awarding the agreement to Ace Parking.

Board Member Cox stated that the fee and cost difference is significant. He stated that Ace Parking has done a good job operating parking and has experience with the operations at SDIA. He also stated that they have the better ability to meet worker retention requirements.

Mr. Lobner stated for the record that each Board Member received each proposer's original proposal and Best and Final Offer, and all correspondence submitted regarding this item. He noted that the Board, acting as the evaluation panel, is obligated to use the BAFO Evaluation in the process of evaluating the two proposals. He reminded the Board that they are prohibited from providing any local preference due to 49 Code of Federal Regulations.

Chair Gleason stated that he does not think that Standard Parking's proposal meets the minimum worker retention requirements ~~and that there is no reference to gender, due to its addition of unstated selection criteria to the policy requirements,~~ that he is seeking the best possible economic deal for the Authority and that Ace Parking's proposal would provide substantial savings over the five-year period.
