Item No. 2

Executive Personnel Staff Report

Meeting Date: August 26, 2021

Subject:

Renewal of the Health & Welfare Benefits Program for 2022

Recommendation:

Staff recommends that the Executive Personnel and Compensation Committee forward the Renewal of the Health and Welfare Benefits Program for 2022 to the Board with a recommendation for approval.

Background/Justification:

The San Diego County Regional Airport Authority ("Authority") provides a comprehensive health and welfare benefits program designed to attract and retain the talent necessary to successfully execute its business strategy and meet its obligations to eligible First-Generation retirees.

For the 2022 plan year, staff is recommending the following.

- Renew current medical carriers with no plan design changes except as required by state or federal law.
- Renew other existing carriers at no premium increase or plan design changesexcept as required by state or federal law.
- The addition of Cross Border Medical Plan option through MediExcel.
- Consolidate the Authority's medical premium contribution strategy by removing the non-wellness tier.
- Remove and repurpose the employee only medical credit of \$8 monthly
- Repurpose the Authority Premium credit to add future benefits such as;
 Childcare/Eldercare and/or increase Wellness Incentive

This recommendation results in a 5% medical increase to employees, no dental or other premiums increase, and a combined 4.8% overall increase to employees. There is a 5% increase to the Authority, no increase in dental or other premiums, and a combined 4.2% overall increase. This recommendation further supports the Authority's ability to attract and retain top talent by balancing flexible options to meet individual employee needs while demonstrating fiscal prudence.

August 26, 2021

Fiscal Impact:

The Authority's Broker of Record, Alliant Insurance Services, negotiated a 3% premium credit estimated to be \$177,201 with Anthem Blue Cross. This results in an estimated Authority cost for the medical plan of \$5,482,799 for the 2022 plan year, representing an estimated increase of \$45,050 or .9% over the current premium.

The Family First Act also provides up to 10 weeks (400 hrs) of Paid Family Medical Leave (PFML) for employees unable to work or telecommute due to bona fide need for leave to care for a child whose school or childcare is unavailable because of reasons related to COVID-19.

Effective March 29, 2021, California Supplemental Paid Sick Leave (SPSL) provides up to 80 hours of paid sick leave for certain COVID-19-related reasons retroactive to sick leave taken beginning January 1, 2021 and will expire on September 30, 2021.
