

Meeting Minutes 3/16/16::

- * Power point presentation was presented regarding the status of the Airport Transit Plan.
- * Attendees provided additional comments on the Airport Transit Plan document.
- * Status was given for the recently (January 2016) installed transit ticket machines in Terminals 1 and 2.
- * Trolley to Terminals shuttle service was discussed.
- * Attendees were made aware of the changes to the SAN.org website regarding airport transit. Trolley to Terminal shuttle service located near the intersection of Palm Street and Admiral Boland Way was discussed.
- * New Airport transit brochures were given to each attendee. The brochures include information about existing bus routes to and from the Airport and also the Trolley to Terminal Shuttle service.
- * The last portion of the meeting consisted of attendees taking a tour of the Trolley to Terminal shuttle service. This included viewing the new bus shelter, and new signage located along Palm Street from the Middletown Trolley Station to the Trolley to Terminal bus stop.
