Gil Cabrera, Board Chair
San Diego County Regional Airport Authority
P.O. Box 82776
San Diego, CA 92138-2776

Dear Board Member Cabrera:

The activities and duties performed by the Audit Committee are detailed in this Audit Committee Annual Report for Fiscal Year 2021. A requirement within the Charter of the Audit Committee, the following report is for the period July 1, 2020, through June 30, 2021. My role as Audit Committee Chair commenced on February 1, 2021.

There were a total of six Audit Committee Meetings during Fiscal Year 2021. The COVID-19 environment required that teleconferencing protocols stay in place. Accordingly, all San Diego County Regional Airport Authority (Authority) Audit Committee meetings were held in this manner, managed by the Authority Clerk and Board Services Department during the fiscal year.

All Minutes for the Authority Audit Committee Meeting public sessions are on file with the Authority Clerk's office and may also be found on the San Diego International Airport website www.san.org.

The dates the Audit Committee Meetings took place in Fiscal Year 2021 are listed below, with a brief account providing highlights from each meeting following in the report.

- September 10, 2020 – *Regular Meeting*
- November 16, 2020 – *Regular Meeting*
- February 8, 2021 – *Regular Meeting*
- April 22, 2021 – *Special Meeting (Interviews & Selection of New Public Member)*
- May 10, 2021 – *Regular Meeting*
- June 21, 2021 – *Special Meeting (Audit Committee Member Training)*

September 2020

During the September 10, 2020, Audit Committee Meeting we welcomed a new Public Member to the Committee, Agnes Wong Nickerson.

The September meeting agenda contained items for the Audit Committee's review, including acceptance of the revision to the Audit Plan from the Office of the Chief Auditor (OCA), the Fiscal Year 2020 Annual Report from the OCA, and a review of both the Charter of the Audit Committee and the OCA Charter, each containing revisions that were forwarded to the full Board. A change to the Charter of the Audit Committee updated the number of terms that a public member on the Audit Committee may serve, and a revision to the OCA Charter inserted a requirement for the Office of the Chief Auditor to communicate the results of its Quality Assurance and Improvement Program to the Audit Committee.

November 2020

An important responsibility performed by the Audit Committee is to annually review the Authority's audited financial reports for Fiscal Year Ended June 30 of that year. The November 16, 2020, Audit Committee Meeting was attended by the external auditor BKD, LLP, and a detailed presentation on the following reports was provided for Committee review and discussion.

- Audited Financial Statements for Fiscal Year-ended June 30, 2020
- Compliance (single audit) Report
- Passenger Facility Charge (PFC) Compliance Report
- Customer Facility Charge (CFC) Compliance Report
- Letter to the Board
- 2020 Annual Comprehensive Financial Report

The November 16, 2020, Audit Committee Meeting also included a Closed Session item. Directors from Aviation Security and Public Safety and the Information & Technology Services Departments updated the Audit Committee Members on the sphere and activities related to threats to public services or facilities at the Authority.

February 2021

Appointments to the Board's standing committees, which includes the Audit Committee, routinely take effect on February 1st. The Audit Committee welcomed two new Authority Board Members to the Committee during its February 8, 2021, meeting. A report from the Chief Auditor on the activities of the OCA for the second quarter rounded out the meeting.

April 2021

A Special Audit Committee Meeting took place on April 22, 2021, to interview candidates for a Public Member vacancy, set to occur upon Jack Van Sambeek's term expiring June 30, 2021. With the Audit Committee Meetings continuing to be held by teleconference, the interviews were conducted in this manner. The Audit Committee interviewed three candidates, and upon completing deliberation, selected Gretchen Newsom as the next Public Member, with a term commencing on July 1, 2021.

May 2021

The May 10, 2021, Audit Committee Meeting had a full agenda. Agenda topics included the external auditor's plan for their upcoming financial and compliance audit that starts in June; the Chief Auditor's proposed Fiscal Year 2022 budget; the Chief Auditor's Fiscal Year 2022 Risk Assessment and Audit Plan; and, a presentation on the selection of an on-call construction audit services expert who the OCA will oversee during the course of the Authority's Airport Development Program. The Audit Committee subsequently voted unanimously on the selection of Baker Tilly US, LLP, to provide on-call construction audit services. Estimated cost for the external construction audit firm is \$1.5M over 3-7 years. A Board resolution was adopted and approved on July 1, 2021, for this agenda item.

June 2021

A Special Audit Committee meeting was held on June 21, 2021, observing best practices by providing the Audit Committee Members with training on maintaining an effective Audit Committee. Topics covered the role and responsibilities of an Audit Committee, its purpose and importance, and an overview of the Annual Comprehensive Financial Report, which is submitted for Audit Committee review each year, prior to the Board review. The Audit Committee training was conducted by BKD, LLP.

Audit Committee Members examined numerous documents and reports in preparation for their meetings during Fiscal Year 2021. Every Audit Committee Meeting the Chief Auditor provides required information to the Committee and gives a status on the OCAs activities, including the results of audits performed by the department. The pulse of Authority operations are communicated to the Audit Committee, in part, through the audits performed by the OCA.

In Fiscal Year 2021, Audit Committee Members reviewed, approved, or received as information, the following reports and presentations:

- Fiscal Year 2020 Annual Report of the OCA.
- Fiscal Year 2021 Quarterly Reports and corresponding audit recommendations.
- OCA Audit Reports issued during Fiscal Year 2021, totaling 13.
- OCA Recommendations issued during Fiscal Year 2021, totaling 33.
- Management's progress implementing recommendations issued by the OCA.
- Revisions to the Fiscal Year 2021 OCA Audit Plan.
- Fiscal Year 2022 Risk Assessment, Audit Plan, and Proposed Budget for the OCA.
- Cybersecurity Updates.
- OCA recommendation for on-call construction audit services provider.
- Ethics Program and Confidential Hotline Updates.
- Public Employee Performance Evaluation Goal Setting for the Chief Auditor.

As Audit Committee Chair, the one-on-one preparation with the Chief Auditor, prior to each Audit Committee Meeting, also provides for additional discussion opportunities on operational performance of the Authority and of the Office of the Chief Auditor.

COVID-19 continued to effect and challenge the Airport Authority, and all of us, throughout Fiscal Year 2021. The Audit Committee remained steadfast in carrying out its responsibilities, for which I would like to express my appreciation for their commitment.

Annual Report
from the Audit
Committee

In closing, the Audit Committee had a very busy year and each Committee Member fulfilled their responsibilities with professionalism and commitment. I look forward to the year ahead in our participation together.

Summary

Executive Summary

The purpose of the Fiscal Year 2021 Annual Report is to provide information regarding the activities performed by the Office of the Chief Auditor (OCA) and to communicate required disclosures in conformance with The Institute of Internal Auditors' (IIA) International Standards for the Professional Practice of Internal Auditing (*Standards*).

Due to the ongoing coronavirus pandemic and changes in Authority operations, the Fiscal Year 2021 Audit Plan was amended and revised several times during the year. In addition to amending the Audit Plan, the pandemic also required the OCA to remain flexible when conducting audit procedures, including interviews, onsite inventory counts, and when requesting documentation. Even though the pandemic posed numerous challenges, staff was able to adapt, and as detailed in this report, to exceed the goals established for the majority of the performance measures.

Performance Measures

For Fiscal Year 2021, six major performance measures were developed to evaluate the OCA. The OCAs performance against the selected performance measures is displayed in Figure 1 below and are presented to the Audit Committee/Board quarterly unless noted otherwise.

Customer Satisfaction Rating:

The OCA provides surveys to the following three customer categories:

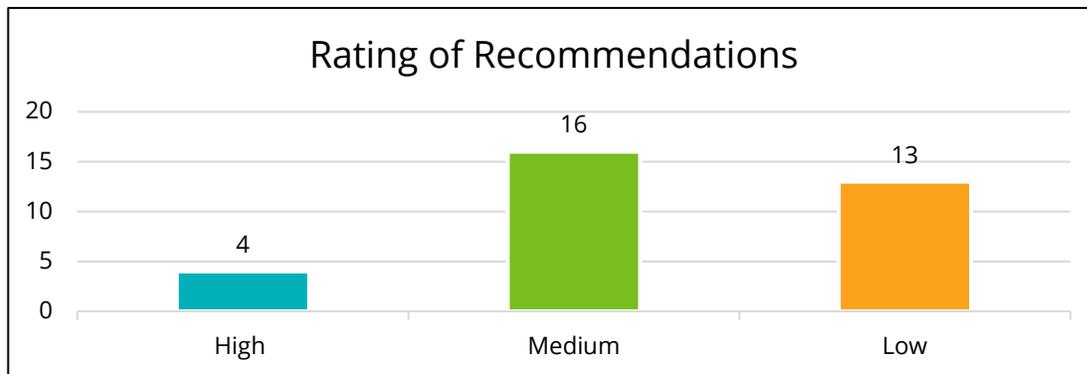

- Authority Board/Audit Committee
- Executive Management
- Auditee

The Authority Board/Audit Committee and Authority Executive Management are surveyed annually, and results are reported annually to the Audit Committee. Whereas, surveys are sent to auditees “post-audit”, following the completion of each audit (or consulting engagement), to obtain customer satisfaction data. These survey results are presented quarterly to the Audit Committee. The OCA tracks each customer category separately; and, in Fiscal Year 2021 received aggregate scores of 4.4, 4.3, and 4.6, respectively, exceeding the goal of 4.0 for each category.

Number of Recommendations:

One of the OCAs primary objectives is to identify risks that could pose a threat to the Authority. During the fiscal year, the OCA provided 33 recommendations to management to remediate a risk identified. Each of the recommendations are rated based on a qualitative value of risk, identified as Low, Medium, or High. A summary of the ratings are shown in Figure 2 below.

Figure 2: Rating of Recommendations

Percentage of Audit and Consulting Engagements Completed:

The OCA completed 13 audit reports and 2 consulting engagements, or 88%¹, of audit and consulting engagements (15/17 = 88%) on the Fiscal Year 2021 Audit Plan.

The status of all activities in the Fiscal Year 2021 Audit Plan is included in Appendix A.

¹ The 88% is equal to (13 completed audits + 2 consulting engagements) / 17 (20 total audit and consulting engagements minus 3 audits that were approved to be completed in Fiscal Year 2022 – Harbor Police Contract Management, Accounts Receivable / Collections - Abatement Program, and Contractor Monitoring – Engineered Materials Arresting System.) See Appendix A for the Fiscal Year 2021 Audit Plan on June 30, 2021.

Percentage of Recommendations Accepted:

This category helps to evaluate the quality of the findings and recommendations issued by the OCA. Additionally, it helps hold the OCA accountable for the quality of the recommendations issued. In Fiscal Year 2021, management accepted 100% of all audit recommendations.

Percentage of Staff Meeting Continuing Professional Education (CPE) Requirements:

During the year, 100% of staff met their education requirements.

Percentage of Staff with at Least One Professional Certification:

The OCA has six full time auditors. Five of the six full-time auditors have *at least* one professional certification, resulting in a percentage of 86%. A listing of the professional certifications held by the OCA are included in the Administrative section of this report.

Number of Non-Continuing Professional Education Training Hours per Staff:

The OCA provides non-CPE training to audit staff to emphasize or enhance skills on a particular topic. In Fiscal Year 2021 the OCA provided 6.1 hours of training per staff. Training has included topics such as Information Technology Risk Assessments, Presentation Skills, Quality Assurance and Improvements Programs, Audit Reporting, Entity-wide Risk Assessments, and Ethics.

Percentage of Staff Time Spent on Audit and Consulting Engagements and General Audit Activities:

This measure tracks the time spent on audit and consulting engagements and general audit activities.² The OCAs goal for Fiscal Year 2021 was 70%. The OCA exceeded the established goal, spending 71% of time on audit and consulting engagements and on general audit activities (68% including the Chief Auditor's time).

Percentage of Audit and Consulting Engagements Completed within Budgeted Time:

This category monitors the efficiency of audit staff in performing audits and consulting engagements. Specifically, audit staff is responsible for the internally prepared budget hours assigned to each audit or consulting engagement. In Fiscal Year 2021, the OCA completed 86% of its projects within the budgeted time, which exceeded the OCAs goal.

² Appendix A details all planned activities in these categories for Fiscal Year 2021.

Audit and Consulting Engagements

The Fiscal Year 2021 Audit Plan had 20 total audit and consulting engagements that were to be initiated. Of these, three engagements were put on hold at the request of the auditee due to COVID-related delays, or were not anticipated to be completed as a result of Authority operations or programs in the fiscal year. These three audits are included in the Fiscal Year 2022 Audit Plan. This left 17 engagements for the OCA to complete.

During Fiscal Year 2021, the OCA completed 15 of those 17 engagements, thus exceeding its goal by completing 88% of engagements. The two audits that were not completed prior the end of the fiscal year have been carried forward to the Fiscal Year 2022 Audit Plan.

Below are highlights from the audits and consulting engagements completed by the OCA during the fourth quarter of Fiscal Year 2021. Audits completed in the first three quarters of the fiscal year were provided to the Audit Committee and Board in the OCAs quarterly activity reports. Also, at the time of their completion, audit reports are distributed electronically by the OCA to specified recipients.

SAN Information Security Program Compliance: The objective of this audit was to evaluate the Information & Technology Services Department's (I&TS) compliance to certain requirements in the SAN Information Security Program. The audit concluded that I&TS is compliant with the majority of the criteria selected for testing. The audit provided three recommendations. The recommendations related to completing two-factor authentication, updating the SAN Information Security Policy, and enhancing communication to users.

Emergency and Sole Source Procurement: The objective of this audit was to determine if the internal controls surrounding Emergency and Sole Source Procurements are adequate and functioning properly. The audit concluded that the internal controls in the Emergency and Sole Source Procurement process are adequate and operating as intended. The audit furnished one recommendation, categorized low, regarding an update to the form used to document a sole source, modifying the approval process to include Procurement, and to maintain a dedicated listing of all sole source purchases made.

Procurement Card Program: The objective of this audit was to determine if Procurement Card purchases complied with Procurement Card Program requirements and Authority Policies. The audit concluded that Procurement Card purchases made during the audit period complied with Program requirements and Authority Policies. The audit did not identify any findings or include any recommendations.

Automobile Citations: The objective of this audit was to determine if automobile citation controls ensure that the Authority collects the appropriate penalties and fees. We found that the Authority was underpaid by approximately \$55,000 (10%) and that approximately 300 (5%) of citations issued were never uploaded to the City of San Diego. Therefore, we

concluded the current controls do not ensure the Authority collects the appropriate penalties and fees. The audit of Automobile Citations provided nine recommendations to strengthen the citation program.

Calculation and Reconciliation of Concession Rents and Fees – Consulting Engagement: The objective of this consulting engagement was to provide assistance to management related to the calculation and reconciliation of concession rents and fees to concessionaires. Due to the impacts of the COVID-19 pandemic on air traffic volumes, the Authority provided financial relief to the concessionaires. As a result of the relief offered, the requirement for a formal reconciliation was changed. The OCAs consulting service provided advice and analysis on the relief offered to concessionaires and the impacts to the reconciliation requirements contained in various agreements.

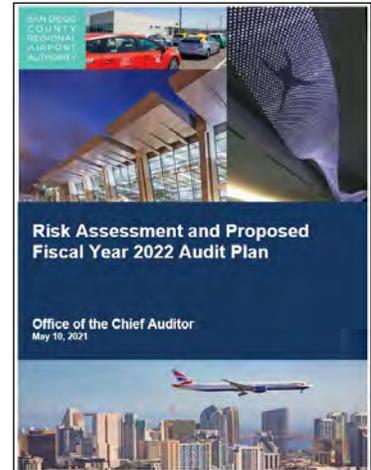

General Audit Activities

In addition to performing audit and consulting engagements, the OCA is involved in other general audit activities that do not result in a formal audit report/opinion being issued. The OCA is either required³ to perform these activities, or believes completion of these activities to be in the best interest of the Authority. A summary of the *General Audit Activities* is presented below.

Risk Assessment and Audit Plan

The OCA is required to submit a risk-based internal Audit Plan to the Audit Committee annually. Performing the Fiscal Year 2022 Risk Assessment included obtaining input from the Board, Audit Committee, Authority management, and staff. During Fiscal Year 2021, the OCA worked with Authority management to identify and rank the likelihood and impact of a risk event occurring for each Key Work Activity within the Authority. The resulting Fiscal Year 2022 Audit Plan was then developed, based on the results of the Risk Assessment process and the discussions with key stakeholders. The Fiscal Year 2022 Risk Assessment and Audit Plan was submitted to the Audit Committee on May 10, 2021, and subsequently approved by the Board on June 3, 2021.

Construction Activities

Construction audit activity for Fiscal Year 2021 consisted of attending meetings regarding the airport support facilities, the New T1 Terminal & Roadway, and other airport construction projects. Additionally, a request for proposals (RFP) for on-call construction audit services for the Airport Development Program (ADP) was developed by the OCA. The on-call audit services will assist the OCA staff in assessing risks and developing audit programs for the ADP projects. We received fourteen responses to the RFP, of which twelve were considered responsive. The twelve responsive proposals were reviewed by an evaluation panel resulting in the selection of the consulting firm Baker-Tilly U.S. that was approved by the Authority Board of Directors on July 1, 2021. The OCA remains involved with any issues identified by the Airport Design & Construction team and Authority management, providing assistance and attending meetings specific to the aspects of the Authority's construction activities.

Information Technology Meeting Attendance

Information technology's central role to Authority operations makes meeting attendance on this subject a vital activity for the Chief Auditor. Fiscal Year 2021 consisted of attending meetings related to information technology and providing updates to the Audit Committee and Authority management when appropriate regarding safeguards, risk assessments, and the National Institute of Standards and Technology (NIST) cybersecurity framework.

³ Requirements are dictated by the Charter for the Office of the Chief Auditor, Charter of the Audit Committee, or the International Standards for the Professional Practice of Internal Auditing.

Development of Data Analytics

Extensive collaboration with Authority management and key departments that included Revenue Generation & Partnership Development, Information & Technology Services, and the Data Analytics team took place in Fiscal Year 2021 to develop and create a data analytics dashboard and program.

The OCA participated in a meeting with rental car companies informing them of the data analytics program and new monthly reporting requirements. An audit of all rental car companies utilizing data analytics on the submitted reports has been included in the Fiscal Year 2022 Audit Plan.

Ethics Program Activities

The OCA continues to run the Authority's Ethics Program that includes a confidential reporting hotline. During Fiscal Year 2021, four tips/reports were received. One required a preliminary investigation that ended with the complaint being withdrawn. Tips/reports that are not investigated by the OCA are forwarded to management, as appropriate.

A summary of the tips/reports received in Fiscal Year 2021 is shown in Figure 3 below.

Figure 3: Ethics Hotline Tips/Reports Received in Fiscal Year 2021

*As required by the Charter for the Office of the Chief Auditor, any fraud or illegal acts that the Chief Auditor becomes aware of are communicated to the Chair of the Audit Committee, General Counsel, and the President/CEO.

Fiscal Year 2021 also included ethics training for the Authority. The OCA provides ethics specific training every other year to Authority employees, with the last training completed in Fiscal Year 2019. The Ethics Officer held 22 training sessions with attendees participating electronically, in lieu of in-person training, due to continuing coronavirus health precautions. These presentations were attended by 92.8% of the Authority. During each presentation,

time was allocated for a question and answer session to clarify any items for attendees. One of the training presentations was recorded by the Talent, Culture and Capability (TCC) Department and placed on the Authority’s training site called LMS. TCC will follow-up with the remaining staff that were unable to attend the remote presentations and provide them with a link to LMS.

Recommendation Follow-up

The OCA is mandated by its Charter to track the recommendations issued in audit reports and to report their implementation status to the Audit Committee on a periodic basis. The OCA tracks recommendations through regular inquiries made to the audited departments or to the owner of the specific recommendation(s). These inquiries allow the OCA to determine how many recommendations have been completed, as well as to obtain the status on progress being made to implement the recommendations.

During Fiscal Year 2021, the OCA issued 33 recommendations that are being tracked for implementation along with any open recommendations issued during prior fiscal years. Appendix B contains a current status on recommendations *Completed* or *In Progress* as of the fourth quarter. The Audit Committee is updated each quarter on the status of recommendations. The recommendations that have been remediated by management in prior quarters of Fiscal Year 2021 were presented to the Audit Committee on the following Committee Meeting dates: November 16, 2020, February 8, 2021, and May 10, 2021.

Table 1 below shows the number of recommendations that were *Completed* or *In Progress* as of the fourth quarter of Fiscal Year 2021, along with the estimated/actual implementation timeframes based on the audit report issue date. Of the Completed recommendations, 5 were implemented within the initial timeframe identified when the recommendations were issued. Of the In Progress recommendations, 16 recommendations were still within the initial timeframe identified for implementation. Additionally, 13 of the 19 In Progress recommendations were issued in the fourth quarter of Fiscal Year 2021.

In general, the OCA is satisfied with the progress that Authority departments are currently making with the implementation, as based upon our inquiries during the tracking process.

Quality Assurance and Improvement Program

The Institute of Internal Auditors’ (IIA) *Standards* require the OCA to maintain a Quality Assurance and Improvement Program (QAIP). Comprehensive details are included under the Quality Assurance and Improvement Program section of this report.

Administrative

The activities that reside within the Administrative classification include meetings attended by the OCA, holiday and vacation time, and the fulfillment of Continuing Professional Education (CPE) requirements.

Qualifications and Training

Proficiency and due care for the OCA are the responsibility of the Chief Auditor. Cumulatively, the OCA has over 100 years of auditing experience. The OCA staff maintain various professional certifications. The types of professional certifications and number of staff with each certification are as follows:

- 5 - Certified Internal Auditors (CIA)
- 2 - Certified Public Accountants (CPA)
- 2 - Certified Construction Auditors (CCA)
- 1 - Certified Information Systems Auditor (CISA)
- 1 - Certified Government Auditing Professional (CGAP)
- 1 - Certification in Risk Management Assurance (CRMA)
- 1 - Chartered Global Management Accountant (CGMA)

Each of these certifications requires that the holder complete a specified number of hours of CPE. As noted above, all CPE requirements were met for all OCA staff during calendar year 2020.⁴

⁴ Some professional organizations track Continuing Professional Education (CPE) by calendar year, not fiscal year. As such, the OCA verifies CPE compliance on a calendar year basis.

Audit Committee Support

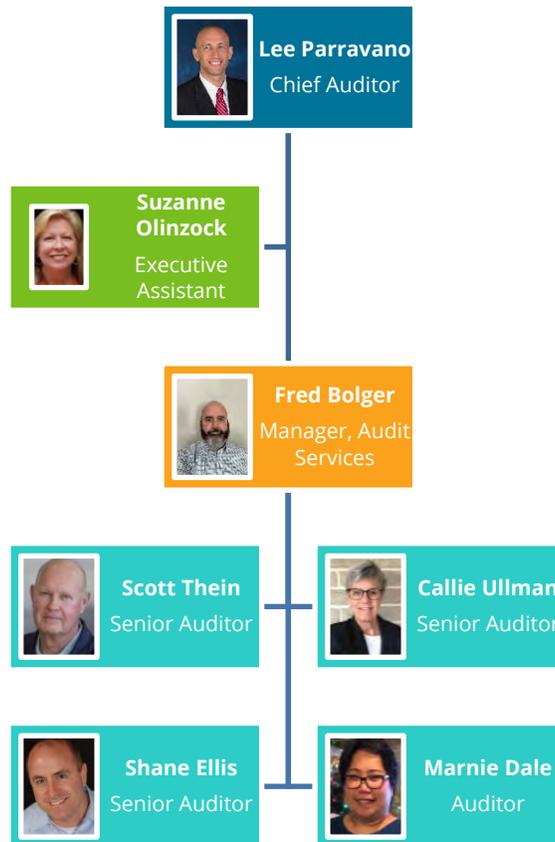

During Fiscal Year 2021, the Audit Committee met six times, occurring on the following dates:

- September 10, 2020
- November 16, 2020
- February 8, 2021
- April 22, 2021 (Special Meeting – Interview and Selection of New Public Members)
- May 10, 2021
- June 21, 2021 (Special Meeting – Audit Committee Training)

Before each regular meeting of the Audit Committee the OCA coordinated all activities relating to agenda preparation and materials required.

Organization Chart

As of June 30, 2021, the OCA organizational structure was as follows. During Fiscal Year 2021, the Intern positions were reduced from two to one position.

Quality Assurance and Improvement Program

Background

The Institute of Internal Auditors' (IIA) International Standards for the Professional Practice of Internal Auditing (*Standards*) require the OCA to maintain a Quality Assurance and Improvement Program that includes external assessments and internal (self) assessments.

- **External Assessment:** Known as a Quality Assessment Review (QAR), or peer review; must be conducted at least once every five years by an independent assessor or an assessment team from outside the organization that is qualified in the practice of internal auditing, as well as the quality assessment process. QAR results are required to be reported to the Board.
- **Internal Assessment:** Comprised of two interrelated parts, 1) ongoing monitoring, and 2) periodic self-assessments. The results of a periodic self-assessment and the level of conformance to the *Standards* must be reported to the Board at the completion of the self-assessment. The results of ongoing monitoring are required to be reported to the Board at least annually.

The *Standards* also contain other mandatory reporting requirements as documented in Appendix D.

External Assessment - Quality Assessment Review

The most recent external assessment of the OCA was performed by the Association of Local Government Auditors (ALGA) for the five year period from July 1, 2013, through June 30, 2018. The peer review was performed in April 2019, with results presented to the Audit Committee during its May 13, 2019, meeting. The peer review determined that the OCA is providing reasonable assurance of compliance with the *Standards*. This is the highest level of conformance an internal audit function can achieve. The next external assessment will be required for the five year period ending June 30, 2023.

In a companion letter, the peer review team identified areas where the OCA excels, and offered observations and suggestions to enhance the OCAs conformance with the *Standards*. The peer review team noted that the OCA has actively addressed and corrected the observations.

Internal Assessment - Ongoing Monitoring

In July 2021, the OCA conducted an assessment of its Fiscal Year 2021 operations, as required by the *Standards* for ongoing monitoring. The results of our ongoing monitoring are provided below.

Scope and Objectives of Ongoing Monitoring

The objective of ongoing monitoring is to provide assurance that the processes in place within the OCA are working effectively to ensure that quality is derived on an audit-by-audit basis. The scope of this activity included an examination of the following:

- Performance Measures
- Engagement Planning and Supervision
- Work Paper Reviews and Sign-offs
- Feedback from Audit Clients
- General Audit Practices
- Standard Working Practices
- Audit Report Reviews
- Prior Recommendations

Results of Ongoing Monitoring

There are numerous processes in place to ensure that quality is consistently delivered on each audit engagement. There were no items identified within the OCA that would impact audit report quality.

QAIP Recommendations Identified

As stated above, the QAIP did not identify any items that would impact audit report quality. However, the OCA did note two items for improvement:

1. The OCA should update the *OCA Policies and Procedures Manual* to include new procedures that were implemented for staff; such as, to conduct pre-audit report writing meetings with the Audit Manager and Chief Auditor, as well as, to incorporate the new Brand Toolkit requirements that were introduced Authority-wide in Fiscal Year 2021 (e.g., fonts, colors, and images).

The OCA is in the process of updating its Policies and Procedures to include the new Brand Toolkit requirements and is incorporating the new procedures introduced in Fiscal Year 2021.

2. The OCA is required to review the Charter of the Audit Committee and the Charter for the Office of the Chief Auditor annually, and to recommend amendments as necessary. The OCA reviewed both Charters and compared them to Model Charters issued by the Institute of Internal Auditors (IIA). Staff found that the current Charters contain the applicable guidance provided by the IIA.

However, the Charter of the Audit Committee contains terminology that needs to be updated. Consistent with guidance under development, proposed by the Governmental Accounting Standards Board (GASB), instances referring to the Comprehensive Annual Financial Report (CAFR) should be replaced with Annual Comprehensive Financial Report (ACFR). Therefore, the OCA recommends that the terminology in the Charter of the Audit Committee be updated.

Additionally, terminology in both the Charter of the Audit Committee and the Charter for the Office of the Chief Auditor should be updated to be gender-neutral to reflect the Authority's commitment to promote inclusiveness.

In adherence with the requirements specified, the OCA is submitting both Charters to the Audit Committee for their review on September 13, 2021, and will subsequently forward them to the Board for acceptance.

Appendix D – Disclosures

The following items are being disclosed in conformance with the *Standards*.

Organizational Independence

The OCA must confirm to the Board, at least annually, the organizational independence of the internal audit activity.

The OCA reports to the Audit Committee, which provides the independence necessary for the OCA to adequately perform its function.

Impairments to Independence or Objectivity

If independence or objectivity is impaired in fact or appearance, the details of the impairment must be disclosed based on the International Professional Practices Framework (IPPF) Standard 1130.

There were no audits or consulting engagements conducted during Fiscal Year 2021 that had any impairment of independence or objectivity in fact or appearance.

Disclosure of Nonconformance

Occasionally, circumstances require the completion of projects/engagements in a manner that is not consistent with the *Standards*. When this occurs, the OCA must disclose the non-conformance and the impact to senior management and the Board.

During the 2021 Fiscal Year there were no instances in which projects were performed in a manner that did not comply with the *Standards*.

Resolution of Management's Acceptance of Risks

Each audit engagement can potentially identify items that may pose risks to the Authority's operations. Some items may require management's attention, while others may be situations in which management decides to accept the risk associated with continuing the current practice. The OCA is required to disclose to senior management and the Board any situations in which it is believed Authority personnel has accepted a level of residual risk that may not adequately reduce/mitigate the risk of loss.

There were no such instances related to risk during the 2021 Fiscal Year.

General Audit Activities - QAIP

Internal auditing *Standards* require the Office of the Chief Auditor (OCA) to maintain a quality assurance and improvement program (QAIP). The FY 2021 Audit Plan contains hours allocated for a QAIP under General Audit Activities.

One component of a QAIP is examining internal audit processes utilized by the OCA. This is referred to as Ongoing Monitoring.

- Results of Ongoing Monitoring must be communicated annually.

General Audit Activities - QAIP (Cont.)

Results:

The QAIP did not identify any items that would impact audit quality.

Two Recommendations:

1. Update OCA Policies and Procedures.
2. Change terminology in Charter of the Audit Committee from CAFR to ACFR, and change terminology in the Charter of the Audit Committee and Charter for the Office of the Chief Auditor to be gender-neutral.

OCA Response:

1. The OCA is in the process of updating the Policies and Procedures used by audit staff.
2. September 13, 2021, Audit Committee materials contain agenda items to change impacted terminology.

2. Procedures for Issuance of Citations
3. Management Review of Citations Issued
4. Low Number of Citations are Appealed

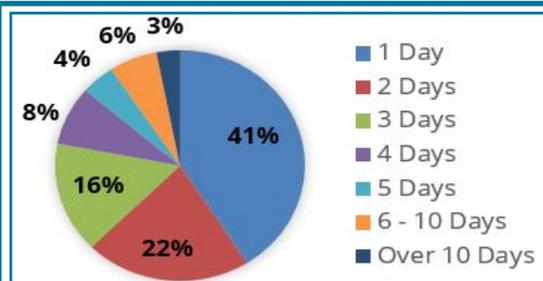

Audit Spotlight - Automobile Citations

1. Formal management of program could be improved

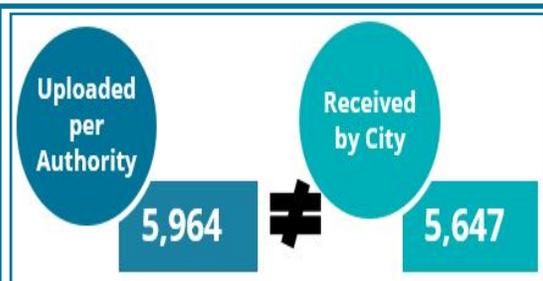

4. Citation penalty amounts have not been updated and lag behind others

2. Citations are not sent timely to the City

5. Amounts remitted by City are not reconciled with citations paid

3. Citations sent to the City are not reconciled to citations received

6. No formal approval of citations appealed

6 Findings - All Accepted by Management

Audit Spotlight - Automobile Citations

Conclusion

The Authority was underpaid by approximately \$55,000 (10%) and approximately 300 (5%) of citations were never uploaded to the City.

Therefore, the current controls do not ensure that the Authority collects the appropriate penalties and fees.

Scope Limitation

The City handles citation administration for multiple agencies, including the Authority. As such, the Authority's records are commingled with other agencies. The OCA did not request access to all City records, as tickets issued/collected for other agencies are outside the jurisdiction of the OCA.

Data obtained from the City was evaluated, but, the OCA could not verify the completeness or accuracy of the data received from the City.

Staff Report

Meeting Date: September 13, 2021

Subject:

Annual Review of the Charter of the Audit Committee

Recommendation:

Staff recommends that the Audit Committee accept the proposed revision to the charter and forward this item to the Board with a recommendation for approval.

Background/Justification:

The Charter of the Audit Committee describes the Audit Committee's purpose, mandate and authority, including oversight of the internal and external auditors, compliance and regulatory duties; and, provides guidelines and procedures on how the Audit Committee conducts its business.

Board Resolution No. 2003-061 was adopted on October 2, 2003, and instituted the Charter of the Audit Committee. Subsequent revisions to the Charter were made in order to reflect changes in operating practices and to meet guidelines for best practices.

The Charter of the Audit Committee is annually reviewed by the Audit Committee in accordance with best practices, the Office of the Chief Auditor's Quality Assurance and Improvement Program, and the requirements specified in the Audit Committee's Charter.

On September 10, 2020, the most recent revision to the Charter of the Audit Committee was performed and subsequently approved by Board Resolution No. 2020-0097 on October 1, 2020. Changes included updating the number of terms that a public member on the Audit Committee may serve and details on compensation to Audit Committee Members.

A review performed by staff this year included researching the Institute of Internal Auditors (IIA) guidance on model charters. Staff found that the current Charter of the Audit Committee contains the applicable guidance provided by the IIA. However, the Charter of the Audit Committee contains terminology that needs to be updated. Consistent with guidance under development by the Governmental Accounting Standards Board (GASB), the *Comprehensive Annual Financial Report* (CAFR) should be referred to as the *Annual*

Meeting Date: September 13, 2021

Comprehensive Financial Report (ACFR). Therefore, the OCA recommends that the terminology in the Charter of the Audit Committee be updated. Other changes include updating terminology to be gender-neutral and inclusive. A redlined version of the Charter of the Audit Committee is provided in Attachment A, for your reference. A version with all changes incorporated is provided in Attachment B.

Staff Report

Meeting Date: September 13, 2021

Subject:

Annual Review of the Charter for the Office of the Chief Auditor

Recommendation:

Staff recommends that the Audit Committee accept the proposed revision to the charter and forward this item to the Board with a recommendation for approval.

Background/Justification:

The Charter for the Office of the Chief Auditor establishes the purpose, authority, and responsibilities of the Office of the Chief Auditor (OCA). The Charter was first adopted on October 2, 2003, by Board approved Resolution No. 2003-062.

An annual review of the Charter for the Office of the Chief Auditor is done in accordance with best practices, the OCAs Quality Assurance and Improvement Program, and requirements included in the Charter of the Audit Committee and Charter for the OCA.

The Audit Committee's review of the Charter for the Office of the Chief Auditor has led to subsequent revisions; including the most recent revision that inserted a requirement for the OCA to communicate the results of its Quality Assurance and Improvement Program to the Audit Committee. These changes were incorporated and approved by Board Resolution No. 2020-0098 on October 1, 2020.

An annual review performed by staff this year included researching the Institute of Internal Auditors (IIA) guidance on model charters. Staff found that the current Charter for the Office of the Chief Auditor contains the applicable guidance provided by the IIA. However, the Charter for the Office of the Chief Auditor contains terminology that needs to be updated to be gender-neutral. A redlined version of the Charter of the Audit Committee is provided in Attachment A for your reference. A version with all changes incorporated is provided in Attachment B.

All changes to the Audit Plan shall be communicated to the Audit Committee prior to being submitted to the Board for approval.

Additionally, International Standards for the Professional Practice of Internal Auditing require that the Chief Auditor review and adjust the Audit Plan, as necessary.

The OCAs initial Audit Plan for Fiscal Year 2022 was approved by the Audit Committee during its May 10, 2021, meeting, and was subsequently approved on June 3, 2021, by Board Resolution No. 2021-0063.

During the first quarter of Fiscal Year 2022 a review of the Audit Plan was undertaken by the OCA. A revision to adjust the allocation of audit hours to reflect the OCAs current operational requirements is requested at this time. The proposed changes include:

Meeting Date: September 13, 2021

Subject:

Review of Authority Code 2.08 – Prohibited Conflicts of Interest

Recommendation:

Information item only.

Background/Justification:

The San Diego County Regional Airport Authority was created on January 1, 2003, through California State legislation as an independent agency to manage the day-to-day operations of San Diego International Airport.

An appointed Board of nine members governs the Airport Authority. The Board and its Committees are guided by California legislation in the Public Utilities Codes (PUC).

The PUC established the Audit Committee and outlined its responsibilities. The PUC charges the Audit Committee with oversight responsibilities for reviewing ethical behavior at the Authority (PUC 170018(e)).

In addition, the Charter of the Audit Committee further outlines the requirement for the Committee to oversee established ethics Policies, Codes, and practices at the Authority. The Charter states that the Audit Committee shall:

“Review and assess the policies, procedures, and practices established by the Authority to monitor compliance with the code of conduct and ethical policies by all employees of the Authority as outlined in Authority Policy Article 2 and Authority Code Article 2”

During the Office of the Chief Auditor’s preparation for Authority-wide Ethics Training as part of the Ethics Program, we noted that a requirement in Authority Code Article 2, Section 2.08(f)(1) is no longer necessary. Code Section 2.08 states that:

Meeting Date: September 13, 2021

“As soon as a Board Member or Employee has a disqualifying conflict of interest, he or she shall: (1) Promptly file with the Ethics Officer a signed statement disclosing the nature and extent of the conflict of interest;

The Authority has other existing mechanisms in place to document conflicts of interest that may arise. Currently, Code Section 2.08 already contains a requirement for Board Members to set forth any disqualification in the official record during a Board Meeting. Further, Code Article 2, Ethics, Section 2.30 contains the model conflicts of interest code language provided by the California Fair Political Practices Commission (FPPC) that identifies officials and employees within the Authority who make governmental decisions based on their positions, and requires them to disclose their financial interests on a Statement of Economic Interest (Form 700). Additionally, any person directly involved with the selection or letting of Authority contracts and agreements are required to sign a statement that they have no potential or actual conflict of interest with the prospective consultants or supplier of goods.

Staff's review of Authority Code 2.08 included discussions with Authority Management, and a review of the conflict of interest codes from the San Diego Unified Port District and the City of San Diego.

In conclusion, staff recommends that the requirement in Article 2, Section 2.08(f) that directs Board Members and Employees to promptly file with the Ethics Officer, a signed statement disclosing the nature and extent of the conflict of interest, be removed from Section 2.08(f). Staff considers conflict of interest disclosures are adequately being fulfilled by other Code Sections or operational requirements.

A redline version of Authority Code 2.08, showing staff's recommended change, is provided in Attachment A for your reference and information. Other changes include punctuation and an update to a citation, as indicated. Staff's requested revision will be incorporated and forwarded to the Board for approval during an upcoming Authority-wide revision of Policies and Codes, which may include changes reflecting inclusive language as part of the Diversity Equity Inclusion initiatives at the Authority.

- ARTICLE 2 - ETHICS**
PART 2.0 - ETHICS AND CONDUCT
SECTION 2.08 - PROHIBITED CONFLICTS OF INTEREST
-

(a) The Authority is required to adopt a Conflict of Interest Code pursuant to Section 87300 of the California Government Code. The Authority's Conflict of Interest Code is contained in Authority Code Section 2.30. The Conflict of Interest Code incorporates many of the provisions of the California Political Reform Act (California Govt. Code §§ 81000-9101~~4~~5) ("California Political Reform Act") pertaining to conflicts of interest.

(b) This Ethics Code incorporates and makes applicable to the Board members and Employees: (1) the Authority's Conflict of Interest Code; and (2) the provisions of the California Political Reform Act, and (3) the regulations of the California Fair Political Practices Commission pertaining to conflicts of interest, including, but not limited to, California Government Code § 84308, which governs any Board member who is running or has run for elective office. In some instances, the provisions of this Ethics Code may be more restrictive than the provisions of the California Political Reform Act or the regulations of the California Fair Political Practices Commission. The provisions of this Ethics Code shall apply in such cases.

(c) By way of summary, a conflict of interest occurs when a Board member or Employee, acting in an official capacity, makes, participates in making or in any way attempts to use his or her official position to influence a decision of the Authority in which he or she knows or has reason to know that he or she has a financial interest. Financial interests include:

(1) A business entity in which a Board member or Employee or an immediate family member has an investment or holds a management position;

(2) Real property in which a Board member or Employee or an immediate family member owns an interest; and

(3) Any person or entity that is a source of income, gifts or loans to a Board member, Employee or an immediate family member.

(d) Notwithstanding a conflict of interest, certain exceptions contained within the California Political Reform Act and the regulations of the California Fair Political Practices Commission may result in the official or Employee not being disqualified.

(e) If a disqualifying conflict exists, the Board member or Employee must be disqualified from making, participating in making or attempting to use his or her official position in any way to influence the Authority's decision which involves that financial interest.

(f) Every Board member and Employee of the Authority is responsible for knowing the conflict of interest rules and knowing when he or she has a disqualifying conflict of interest. However, Board members and Employees may consult the Authority's Ethics Officer, General Counsel or such other authorized individual designated by the Authority ethics officer ("**Ethics Officer**") when faced with a conflict of interest issue. As soon as a Board member or Employee has a disqualifying conflict of interest, he or she shall:

~~(1) — Promptly file with the Ethics Officer a signed statement disclosing the nature and extent of the conflict of interest;~~

(~~1~~) Immediately stop participating further in the matter;

(~~2~~) If an Employee, notify his or her supervisor about the disqualification; and

(~~3~~) If a Board member, set forth the disqualification in the official record of the Authority.

(g) The Authority may prepare supplementary material regarding the applicable conflict of interest rules and distribute such material to Board members and officials and Employees.
