Project Elements

1. Expand existing Terminal 2 West with 10 new gates.
2. Construct new aircraft parking and replacement Remain-Over-Night (RON) aircraft parking apron.
3. Construct new apron and aircraft taxi lane.
5. Construct new parking structure and vehicle circulation serving Terminal 2.
7. Construct a new access road to North Area facilities from Sassafras St./Pacific Highway intersection.
8. Construct new General Aviation facilities including access, terminal/hangars and apron on 12.4 acres.
9. Demolish the existing general aviation facilities.
10. Reconstruct Taxiway C, and construct new apron, hold pads, and new Taxiway east of Taxiway D.

Proposed Airport Implementation Plan (with Parking Structure)

Environmental Impact Report
**Project Elements**

1. Construct new unit terminal with 5 replacement gates and 7 new gates.
2. Expand existing Terminal 2 West with 3 new jet gates.
3. Relocate commuter aircraft to Terminals 1 and 2.
4. Construct new aircraft parking and replacement Remain-Over-Night (RON) aircraft parking apron.
5. Construct new apron and aircraft taxi lane.
6. Construct new surface parking and vehicle circulation west of Terminal 2 West.
7. Construct new surface and structured parking and vehicle circulation at Terminal 1 and new unit terminal.
9. Construct a new access road to North Area facilities from Sassafras St./Pacific Highway intersection.
10. Construct new General Aviation facilities including access, terminal/hangars and apron on 12.4 acres.
11. Demolish the existing general aviation facilities.
12. Reconstruct Taxiway C, and construct new apron, hold pads, and new Taxiway east of Taxiway D.

**Airport Implementation Plan Alternative (with Parking Structure)**

Environmental Impact Report
Project Elements

1. Construct new unit terminal with 5 replacement gates and 7 new gates.
2. Expand existing Terminal 2 West with 3 new jet gates.
3. Relocate commuter aircraft to Terminals 1 and 2.
4. Construct new aircraft parking and replacement Remain-Over-Night (RON) aircraft parking apron.
5. Relocate and reconfigure SAN Park Pacific Highway.
6. Construct a new access road to North Area facilities from Sassafras St./Pacific Highway intersection.
7. Construct new General Aviation facilities including access, terminal/hangars and apron on 12.4 acres.
8. Demolish the existing general aviation facilities.
9. Reconstruct Taxiway C, and construct new apron, hold pads, and new Taxiway east of Taxiway D.

Airport Implementation Plan Alternative (without Parking Structure)
