(f) Every Board member and employee of the Authority is responsible for knowing the conflict-of-interest rules and knowing when he or she has a disqualifying conflict of interest. (2) “**Gift**” means any payment that confers a personal benefit on the recipient, to the extent that consideration of equal or greater value is not received and includes a rebate or discount in the price of anything of value unless the rebate or discount is made in the regular course of business to members of the public without regard to official status.

(3) “**Honorarium**” means, except as provided below, any payment made in consideration for any speech given, article published or attendance at any public or private conference, convention, meeting, social event, meal or like gathering. The term Honorarium does not include earned income for personal services that are customarily provided in connection with the practice of a bona fide business, trade or profession, such as teaching, practicing law, medicine, insurance, real estate, banking or building contracting, unless the sole or predominant activity of the business, trade or profession is making speeches.

(4) “**Travel Expenses**” means reasonable payments, advances or reimbursements for travel, including actual transportation and related lodging, food and beverages.

(b) Restrictions on Benefits

(1) No Board member or Employee shall request a Benefit from any person or entity or accept any Benefit intended to influence official duties.

(2) No Board member or Employee shall accept anything of value from anyone, other than the Authority or another Board member or Employee, for doing his or her job.

(3) No Board member or Employee shall accept Benefits aggregating more than one-half (1/2) the amount of gifts permitted under the California Political Reform Act in any calendar year from any single source:

(A) That the Board member or Employee knows or should know is doing business with the Authority or intends to do business with the Authority or has done business with the Authority during the previous twelve (12) months; or

(B) That the Board member or Employee knows or should know has or is seeking a contract, lease, license, permit, grant or benefit from the Authority; or

(C) That the Board member or Employee knows or should know is an agent (whether compensated or not) of any person or entity described in Subsections (A) or (B).

(4) No person designated in the Authority's Conflict of Interest Code shall accept an Honorarium from any source if that person would be required to report the receipt of income or Gifts from that source on his or her statement of economic interests pursuant to the Appendix to the Authority's Conflict of Interest Code.

(c) Acceptance of Benefits

(1) A Benefit is "accepted" when the recipient knows that he or she has either actual possession of the Benefit or takes any action exercising direction or control over the Benefit.

(2) In the case of a rebate or discount, a Benefit is "accepted" when the recipient receives the rebate or discount and knows that the rebate or discount is not made in the regular course of business to members of the public.

(3) Turning a Benefit over to another person does not negate receipt of acceptance of the Benefit.

(d) Exceptions to Restrictions on Benefits

The following are not considered Benefits for the purpose of this Section and are not subject to the restrictions of Subsection (b):

(1) A Gift or loan from an individual's spouse or former spouse; child or step-child; parent; grandparent or great grandparent; grandchild or great grandchild; brother; sister; current or former parent-in-law, brother-in-law, or sister-in-law; nephew; niece; aunt or uncle; including grand nephew, grand niece, grand aunt, or grand uncle, or first cousin including first cousin once removed or the spouse, or former spouse, of any such person other than a former in-law, unless the individual giving the Gift or making the loan is acting as an agent or intermediary for any person not identified in this Subsection (1).

- (7) Admission, food, beverages and similar non-cash nominal Benefits provided to the Board member or Employee at an event at which a Board member or Employee participates in a panel or seminar in his or her official capacity as a Board member or Employee or provides a similar service, provided, however, that such food and beverages must be consumed on the day of the activity in which the Board member or Employee participates;
- (8) Travel Expenses approved by the Board for travel within California provided directly in connection with an event at which a Board member or Employee gives a speech, participates in a panel or seminar or provides a similar service;
- (9) Travel Expenses approved by the Board for travel outside California but within the United States (although such expenses may be reportable on the Board member or Employee's statement of economic interests) if:
 - (A) The travel is reasonably related to a legislative or governmental purpose; and
 - (B) The travel is made in connection with an event at which the Board member or Employee gives a speech, participates in a panel or seminar or provides a similar service; and
 - (C) The lodging and subsistence expenses in this case are limited to the day immediately preceding the day of, and the day immediately following the speech, panel or other similar service.

(11) Travel Expenses that are reasonably necessary in connection with a bona fide business, trade or profession and that satisfies the criteria for federal income tax deduction for business expenses in Sections 162 and 274 of the Internal Revenue Code, unless the sole or predominant activity of the business, trade or profession is making speeches, although such Travel Expenses may be reportable on the Board member's or Employee's statement of economic interests;

(12) Income received as a payment for a comedic, dramatic, musical or other similar artistic performance; and payments received for the publication of books, plays or screenplays, although such income may be reportable on the Board member's or Employee's statement of economic interest;

(13) Income earned for the Board member's or Employee's personal services if the services are provided in connection with a bona fide business, trade or profession — such as teaching, practicing law, medicine, insurance, real estate, banking or building contracting — and the services are customarily provided in connection with the business, trade or profession, although such income may be reportable on the Board member or Employee's statement of economic interests; and

2) The Ethics Officer shall conduct a preliminary review of the allegation. The preliminary review will be conducted in a manner designed to minimize any intrusion into Board Member's personal or non-Authority affairs.

3) The preliminary review will be designed to determine if a full investigation is warranted. For example, criteria in the preliminary review will determine if:

A. The allegation(s) are plausible and not frivolous,

1) The Ethics Officer will promptly notify the Board Chair and the General Counsel, if appropriate, of the allegation.

2) If the allegation concerns the Chief Auditor, or if the Ethics Officer determines there is a conflict of interest that would prevent the Ethics Officer from rendering a fair and impartial determination, the Ethics Officer may appoint the General Counsel or an outside independent party to act as the interim Ethics Officer.

3) The Ethics Officer then shall conduct a preliminary review of the allegation. The preliminary review will be conducted in a manner designed to minimize any intrusion into the President/CEO, General Counsel, or Chief Auditor's personal or non-Authority affairs. B. If the Ethics Officer, General Counsel, or Board Chair believe a full investigation is warranted, the allegation and results of the preliminary review will be forwarded to the full Board. The Board shall then take the following action:

- i. Form an appropriate ad hoc committee, which may or may not include members of the Board, or retain an outside independent party;

Any party may record the hearing or hire a court reporter, at their own expense.

(3) The Hearing Officer shall issue a written Administrative Enforcement Order that:

- (B) reverses or modifies the decision which is the subject of the appeal; or
- (C) makes a different decision.

(4) The Administrative Enforcement Order shall contain findings of fact and state reasons for the decision. A copy of the decision shall be furnished to the parties within ten (10) business days of the conclusion of the hearing.

(5) The Administrative Enforcement Order may be appealed in writing to the President/CEO within ten (10) business days of the date on the Hearing Officer's written decision. The decision of the President/CEO shall be based solely on the record of the underlying decision (i.e. the Hearing Officer's findings of fact and stated reason for the decision, and the documents and evidence considered by the Hearing Officer.). The President/CEO may uphold the Administrative Order, reverse or modify the decision which is subject to appeal, or make a different decision. If an appeal of the Administrative Enforcement Order is filed within ten (10) days after it is issued by the Hearing Officer, the Administrative Enforcement Order shall become final and any appeal filed thereafter will be denied for failure to exhaust administrative remedies.

(6) The decision of the President/CEO shall be the final administrative order. There shall be no rehearing or reconsideration. The final decision shall be subject to judicial review pursuant to California Code of Civil Procedure Sections 1094.5 and 1094.6.

(7) When a timely appeal has been filed, the administrative penalty shall be stayed pending the decision(s) of the Hearing Officer and/or the President/CEO. However, when, in the opinion of the President/CEO, there is a clear and immediate threat to public safety, the Authority may enforce a suspension or revocation prior to a hearing being held. The penalized party may then request a hearing from the President/CEO within ten (10) business days of receipt of notification that the suspension or revocation is not stayed. If no expedited hearing is requested, the appeal shall proceed in the ordinary course and the suspension or revocation shall remain in effect ending the outcome of the appeal process.

The above rules may be waived for disabled passengers.

(2) No person shall solicit any customer's patronage in any manner while on Airport property or in an Airport terminal building.

(3) Taxicab and Vehicle for Hire drivers shall use only the assigned Taxicab or Vehicle for Hire line and stand as respectively designated by the President/CEO. (4) Before entry onto Airport property without passengers or after discharging passengers on Airport property, every Taxicab or Vehicle for Hire operator shall proceed to the designated hold lot or pickup area as designated by the President/CEO and wait with the vehicle until an authorized officer or designate issues a time-stamped dispatch ticket and dispatches the vehicle and operator to the Airport. Picking up any passenger for hire after or while leaving off any other passenger without proceeding through the designated hold lot or pickup area and being issued a valid dispatch ticket is prohibited. The President/CEO, from time to time, may establish, change or modify the rules, regulations and dispatch procedures for operation of the off-Airport hold lots.

(5) Notwithstanding any other regulation, any prospective passenger may select for hire any Taxicab or Vehicle for Hire, wherever located at the stand.

(6) The driver of each Taxicab or Vehicle for Hire in a Taxicab or Vehicle for Hire line shall at all times, until engaged for hire, remain in the driver's seat at the wheel of the vehicle or outside and within close proximity of the vehicle, except in case of emergency or personal necessity.

(7) The driver of each Taxicab or Vehicle for Hire at the Taxicab or Vehicle for Hire stand shall at all times, until engaged for hire, remain in the driver's seat at the wheel of the vehicle; provided, however, when engaged for hire, the driver may assist a passenger and load baggage into the vehicle. In case of an emergency or personal necessity, the driver may leave a Taxicab which is at the Taxicab stand.

(8) After a Taxicab exits a Taxicab stand, each vehicle at its rear shall at once be moved toward the head of the Taxicab stand and the Taxicab at the head of the Taxicab line shall be moved forward to occupy the vacancy in the Taxicab stand. Likewise, each vehicle to the rear in the Taxicab line shall be moved toward the head of the Taxicab line.

(9) No owner or operator of a Taxicab, Vehicle for Hire or Charter Vehicle, or TNC shall at any time while at the Airport by words, gesture or otherwise, solicit, persuade or urge or attempt to solicit, persuade or urge any person to use or hire any vehicle.

(10) If the driver of a Taxicab occupying the position at the head of the Taxicab stand refuses to accept and transport a passenger for hire or refers the passenger to a different Taxicab, the Taxicab and driver who refused or referred the passenger shall immediately be dispatched to the rear of the Taxicab line and the driver shall immediately remove the Taxicab from the head of the Taxicab stand.

(f) Duty to Transport Passengers. The person operating a ground transportation service shall not refuse to transport any passenger, including baggage, requiring transportation and shall take all passengers to their requested destination using the most direct available route on all trips unless otherwise specifically requested by the passenger; provided, however, nothing herein shall require any person to provide ground transportation service contrary to any municipal or state permit or certificate regarding ground transportation or its Authority authorized permit. Furthermore, a driver is not required to transport any such passengers when: the driver has already been dispatched on another call; when such passengers appears to be under the influence of intoxicating liquor, or disorderly; or when the passenger may cause the vehicle to become damaged, stained or foul smelling.

(g) Non-Discrimination. In providing ground transportation services on Airport property, no person shall discriminate against any person or class of persons by reason of sex, color, race, creed, religion, physical or mental disability, veteran status, medical condition, marital status, age, sexual orientation, pregnancy or national origin. The accommodations and services shall be made available to the public on fair and reasonable terms.

If no appeal is filed within the said ten days, it shall be grounds to deny a hearing; Any untimely filed appeal shall be dismissed by the Hearing Officer. A suspension or revocation shall immediately become effective if an appeal is not timely filed within the ten business days, except in circumstances where the public's safety is affected. If an appeal is timely filed, the revocation or suspension shall be stayed pending the final determination of the appeal. In the event the permit, which is the subject of the action, expires and a new permit is issued to the same operator prior to the suspension or revocation taking effect and being fully carried out, or prior to final decision on appeal, the new permit shall be issued conditioned upon and shall be subject to the pending suspension or revocation. If no appeal is taken, said new permit shall be so suspended or revoked. If on appeal and suspension or revocation is the final decision, the new permit shall be so suspended or revoked. The Hearing Officer may subpoena witnesses and establish additional procedures within the provisions of California Government Code Sections 11507.5 through 11511 and as may be required to serve the interest of justice. The Hearing Officer may uphold the suspension, revocation or denial or reverse or modify the decision which is the subject of the appeal, or make a different decision. A copy of the decision of the Hearing Officer specifying findings of fact and reasons for the decision shall be furnished to the parties within ten business days of the conclusion of the Hearing.

(e) The final decision of the Hearing Officer shall be the final administrative remedy. There shall be no rehearing or reconsideration. The final decision shall be subject to judicial review pursuant to California Code of Civil Procedure Sections 1094.5 and 1094.6.

(f) An exception to the hearing provisions above shall be made when, in the opinion of the Authority, there is a clear and immediate threat to the safety and protection of the public, the Authority may suspend or revoke a permit prior to a Hearing being held. The Authority shall prepare a written notice of suspension or revocation which includes a statement of the action, a concise explanation of the reasons for the action, the statutory basis relied upon for such action, and an explanation of the Permit Holder’s right to request a Hearing from the Authority. Such notice shall be either sent by certified mail to the Permit Holder or be personally delivered. The Permit Holder may request a Hearing from the Authority within five business days of receipt of notification that the permit has been suspended or revoked in the manner provided above in Subsection (c). The Hearing Officer shall notify the appellant of time and place of such Hearing and the Hearing shall be conducted in the manner prescribed in this Section. The Hearing shall be held not more than 15 business days from the date of receipt of said request for Hearing. The suspension or revocation shall not be stayed during pendency of said appeal Hearing.

(h) No person shall use or give permission to use any vehicle or Taxicab to provide any ground transportation service from a facility or airport under the Authority’s jurisdiction during the period of any suspension or revocation of the permit.

(i) When a permit has been suspended or revoked, the operation of any vehicle or taxicab authorized by such permit shall cease.

ARTICLE 9 - SAN DIEGO INTERNATIONAL AIRPORT
PART 9.4 - AIRFIELD OPERATIONS
SECTION 9.40 - AIRPORT USE REGULATION AT SAN DIEGO INTERNATIONAL AIRPORT

(a) Overview. This Section 9.40 sets forth the regulations of the Authority restricting and regulating the use of the Airport by certain types of aircraft and restricting the use of the Airport during certain times of the day. The Authority is the certificated operator of the Airport. This Section 9.40 is a continuation of preexisting regulations governing the Airport originally adopted by the Board of Port Commissioners of the San Diego Unified Port District (the “Port”) on June 5, 1979, and Airport Regulations adopted by Port Resolutions 85-201, 87-206, and 87-207, as first adopted in a comprehensive form in 1988. These regulations continue to be supplemental to, and not in replacement of, any other duly adopted or authorized rules, policies, regulations and ordinances governing the use of the Airport.

(b) Background. This Section 9.40 restates and continues in effect the preexisting “Amended Airport Use Regulations” first adopted in a comprehensive form in 1988 by the Board of the Port, then owner and operator of the Airport, and the predecessor in interest to the Authority. This Section 9.40 is adopted by the Authority in furtherance of, and consistent with, the transfer of the Airport from the Port to the Authority, as provided in the San Diego County Regional Airport Authority Act. This transfer occurred on January 1, 2003.

This Section 9.40 reflects that the Authority is vested with enforcement authority consistent with the transfer of title and ownership of the Airport to the Authority pursuant to California Public Utilities Code §§170056 and 170062, maintaining those substantive portions of the preexisting regulations governing the Airport originally adopted by the Port that are still relevant and deleting now irrelevant material. This Section 9.40 modifies the preexisting regulations governing the Airport originally adopted by the Port in a manner that does not reduce or limit aircraft operations or affect aircraft safety.

(c) Effective Date. This Section 9.40 restates the provisions of the preexisting Airport Use Regulations governing the Airport, which became effective on January 1, 1989, except for the provisions of subsections (f)(1)(B) and (f)(2)(B) of this Section 9.40 which prohibit certain departures between 6:30 and 7:00 a.m., and which prohibit publication of certain gate departure times between 9:45 p.m. and 6:45 a.m., respectively. Subsections (f)(1)(B) and (f)(2)(B) became effective April 1, 1989.

(d) Definitions. As used in this Section 9.40, the terms set forth below shall be deemed to have the following meanings:

(1) **“Engine Run-Up”** shall mean the operation of one or more aircraft engines at the Airport for the purpose of, or in connection with, testing, servicing or repairing an aircraft and its subsystems, including, but not limited to, any of its engines.

(2) **“FAA”** shall mean the Federal Aviation Administration of the United States Department of Transportation, and any successor federal agency.

(3) **“Gate Departure Time”** for Regularly Scheduled Commercial Operators shall mean: (i) for passenger carrying operators, the published departure time of any regularly scheduled commercial air carrier operation at the Airport; and (ii) for all-cargo operators, the time at which the aircraft conducting a departure from the Airport is scheduled by such air-cargo operator to receive permission from the FAA Ground Control facility at the Airport (or other comparable FAA tower function) to enter the system of taxiways and runways at the Airport in preparation for departure from the Airport.

(4) **“Limited Operations Hours”** shall mean the period each day between 6:30 a.m. and 7:00 a.m. (0630 to 0700 hours), and the period between 10:00 p.m. and 11:30 p.m. (2200 to 2330 hours) (local time).

(5) **“Person”** shall mean one or more human beings, legal entities or other artificial persons, including, without limitation, any airline, association, partnership, business trust, corporation, estate, or other legal entity, and any combination of human beings, legal entities or both.

(6) **“Regularly Scheduled Commercial Operator”** shall mean:

(A) **Passenger Operations.** Any Person engaged in scheduled passenger carrying operations at the Airport with aircraft operating at gross weights of 75,000 or more pounds and: (i) with four (4) or more departures during any weekly period which are published or listed in the Official Airline Guide, or advertised by any other means, as being available to the general public upon the payment of an established fare(s); or (ii) which have entered into contracts with any Person or group of Persons to conduct passenger carrying operations to or from the Airport which result in four (4) or more departures per week during any three (3) weeks of any calendar quarter; and

(B) **Cargo Operations.** Any Person operating aircraft at the Airport at gross weights of 75,000 pounds or more for purposes of carrying cargo to or from the Airport, and which operate four (4) or more departures per week at the Airport during any three (3) weeks of any calendar quarter.

(7) **“Stage 3 Aircraft”** shall mean an aircraft that meets at least one of the definitions of the following subsections:

(A) **Certificated Aircraft.** For aircraft which have been certificated under Federal Aviation Regulation (“FAR”) Part 36, an aircraft which, at the time of its manufacture, or, if modified, subsequent to its modification, has been formally and officially certificated by FAA as a “Stage 3 airplane” within the meaning of Section 36.1(f)(6) of FAR Part 36 (14 C.F.R. {36.1(f)(6) [1987]}).

(B) **Uncertificated Aircraft.** For aircraft not certificated by FAA under FAR Part 36, an aircraft which is identified under FAA Advisory Circulars (“ACs”) AC36-2C and/or AC36-3H (as in effect as of the date of adoption of this Section 9.40, and as later may be amended, revised or replaced by superseding ACs) as generating noise levels at the FAR Part 36 take-off measuring point of 89 dB EPNdB or less.

(C) **Non-Stage 3 Certificated Aircraft.** For aircraft which are certificated by the FAA under FAR Part 36, but which have not been certificated as a Stage 3 Aircraft (or higher), an aircraft that has been expressly certificated by the Authority’s President/CEO or their designee under Section 9.40(i) to be a “Stage 3 Aircraft” for purposes of this Section 9.40.

(e) Prohibition Against Certain Aircraft Types. No Person shall operate any aircraft at the Airport which generates more than 104 EPNdB under FAR Part 36 test procedures, as measured at the FAR Part 36 takeoff measuring point (6500 meters from brake release). For purposes of this Section 9.40, the values listed in FAA AC 36-2C (for uncertificated aircraft) under the column entitled “Take-off M/Est. EPNdB” and under applicable FAR Part 36 test procedures (for certificated and international aircraft) (as in effect as of the date of adoption of this Section 9.40, and as later may be amended, revised or replaced by superseding ACs), in the section “Noise Levels - EPNdB”, under the column headed “Take-off” shall be conclusive with respect to any aircraft listed in any such AC. See also FAR Part 36 (14 C.F.R. {36.1(f)(6) [1987]}).

(f) Time of Day Restrictions.

(1) Nighttime Departures.

(A) All Aircraft. No Person shall operate any aircraft (rotary or fixed wing) on departure from the Airport between 11:30 p.m. and 6:30 a.m. (2330 and 0630 hours) (local time).

(B) Non-Stage 3 Aircraft. No Person shall operate any aircraft on departure from the Airport between 10:00 p.m. and 11:30 p.m. (2200 to 2330 hours), or between 6:30 a.m. and 7:00 a.m. (0630 to 0700 hours) (local time) unless such aircraft is a Stage 3 or better (Stage 4 or 5) Aircraft.

(2) Scheduled Gate Departure Times.

(A) Stage 3 Aircraft or better (Stage 4 or 5). No Person shall schedule, or advertise for departure, a Gate Departure Time for any Aircraft between 11:15 p.m. and 6:15 a.m. (2315 and 0615 hours) (local time). The provisions of this Section 9.40(f)(2) do not modify the restrictions of Sections 9.40(f)(1)(A) or (B).

(B) Non-Stage 3 Aircraft or better (Stage 4 or 5). No Person shall schedule, or advertise for departure, a Gate Departure Time for any non-Stage 3 Aircraft between 9:45 p.m. and 6:45 a.m. (2145 and 0645 hours) (local time).

Code Section No. 9.40

(3) Engine Run-Ups. No Person shall perform any Engine Run-Up at a power setting above idle power between 11:30 p.m. and 6:30 a.m. (2330 and 0630 hours) (local time).

(4) Exceptions.

(A) Mercy/Emergency Flights. The prohibitions of Section 9.40(f)(1) shall not be applicable to any aircraft operation at the Airport that is conducted in a mercy flight status or emergency situation authorized in advance by the President/CEO or senior Airport official on duty (collectively, “**Mercy or Emergency Flight**”). Mercy or Emergency Flights for medical purposes are exempt from certain restrictions, including the curfew restrictions (California Public Utilities Code, 21662.4). If a flight arrives as a Mercy or Emergency Flight status, they are permitted to depart in a non-Mercy Emergency Flight status if the aircraft is returning to its base of operation.

(B) Engine Run-Ups. The prohibition of Section 9.40(f)(3) shall not be applicable to an Engine Run-Up necessary to allow an aircraft engaged in an Emergency or Mercy Flight to comply with any safety, legal or regulatory obligations or requirements prior to commencing the Emergency or Mercy Flight.

(g) Administrative Penalties. In addition to any and all other remedies which may be available to the Authority in respect of any violation of this Section 9.40, any Person which violates this Section 9.40 shall be subject to the following civil penalties:

(1) Violations of Section 9.40(e). In the event of any violation of Section 9.40(e), the Person(s) committing such violation shall be assessed a penalty of Ten Thousand Dollars (\$10,000), and all the Airport operating privileges of any such Person(s) shall be terminated.

(2) Violation of Section 9.40(f).

(A) In the event of the first violation of any provision of Section 9.40(f) during any calendar six month period, the Person(s) assessed a penalty for the violation may be fined Two Thousand Dollars (\$2,000) as a condition to the privilege of engaging in any further operations at the Airport.

(B) In the event of a second violation of Section 9.40(f) during any calendar six month period, the Person(s) assessed a penalty for the second violation may be fined Six Thousand Dollars (\$6,000) as a condition to the privilege of engaging in any further operations at the Airport.

(C) In the event of a third or subsequent violation of Section 9.40(f) during any calendar six month period, the Person(s) assessed a penalty for the third violation may be fined Ten Thousand Dollars (\$10,000) as a condition to the privilege of engaging in any further operations at the Airport. Also, each penalized violation of these Regulations by the Person(s) shall be multiplied by the number of penalized violations by the Person(s) in the previous six month compliance period. In addition, the operating privileges of any such Person at the Airport may be terminated, or limited, on such terms and conditions, and for such period of time, as the Board, after notice and opportunity to be heard, determines is appropriate under the circumstances.

Code Section No. 9.40

(3) **Curfew Violation Review Panel.** At least once per quarter, a Curfew Violation Review Panel (CVRP) may meet to review any pending violations and determine if a fine at the levels described in section (h)(1) and (h)(2) will be assessed. Penalties may not be assessed if there are extenuating circumstances outside the operators control that prevented the flight from departing in a safe and timely manner. The CVRP is made up of one individual from the Operations, Development and Financial Divisions, appointed by the Vice President of that Division.

(h) **Partial Invalidity.** In the event any court of competent jurisdiction determines that any portion or provision of this Section 9.40 is invalid, illegal or unenforceable, or temporarily enjoins enforcement or application of any provision of this Section 9.40, all other provisions of this Section 9.40 shall remain enforceable and in effect unless and until revoked, suspended or modified by the Board; and all obligations of any Person under any provision of this Section 9.40 not affected by any such court ruling or order shall remain in full force and effect.

(i) **No Waiver or Implied Policy.** Specific actions taken in respect of the enforcement of this Section 9.40 are within the discretion of the Authority. Any failure by the Authority to take any act or action in strict enforcement of this Section 9.40, inadvertent or otherwise, or any affirmative waiver of enforcement by the Authority in a specific instance after consideration of any special request or circumstances, shall not constitute the establishment of any express or implied policy of the Authority in respect of the enforcement of this Section 9.40, and shall not be relied on by any Person in making any determination, or taking any action, to violate any provision of this Section 9.40.
