Alaska Airlines Adds New Nonstop Service to Medford, Oregon from San Diego International Airport

SAN DIEGO, CA — January 14, 2025— Alaska Airlines has announced it will offer a new daily nonstop flight between San Diego International Airport (SAN) and Medford, Oregon via Rogue Valley International-Medford, Airport (MFR) beginning May 15, 2025.

Medford will be the 41st nonstop destination Alaska Airlines offers from SAN. The airline currently offers 40 nonstop destinations to cities across the Northwest, Northeast, California, Mexico, Florida and all four major islands in Hawaii from San Diego, which remains the most destinations offered by any airline operating out of SAN.

“We are pleased that Alaska Airlines is continuing to grow its service from San Diego and offer new options to many destinations on the west coast, across the country, and internationally,” said Kimberly Becker, San Diego County Regional Airport Authority President and CEO. “This new nonstop service to Medford offers Southern Californians direct access to this Pacific Northwest city known for its picturesque Rogue Valley and close proximity to world-renowned Crater Lake National Park, while providing easy access for Oregonians to San Diego’s year-round warm climate and miles of coastline.”

ABOUT SAN DIEGO INTERNATIONAL AIRPORT (SAN)

Owned and operated by San Diego County Regional Airport Authority (Airport Authority), San Diego International Airport (SAN) is one of the busiest single-runway commercial service airports in the world and the third-busiest airport in California. SAN contributes nearly \$12 billion in economic activity for the region by connecting the world to San Diego and San Diego to the world. In November 2021, the Airport Authority began construction on the New T1 which includes the replacement of the current Terminal 1, improvements to the airfield, improved transportation connectivity to the airport, and a new administration building. The New T1’s project budget is \$3.8 billion and is estimated to create between 15,000 to 20,000 construction-related jobs. For more information about the New T1 please visit newt1.com. For more information about SAN please visit san.org.
