Southwest Airlines Begins Nonstop Flights to Kahului, Maui from San Diego International Airport

SAN DIEGO – June 4, 2021 – On June 6, [Southwest Airlines](#) will begin daily nonstop service to Kahului, Maui via Kahului Airport (OGG) from [San Diego International Airport](#) (SAN). The route will add a second daily flight beginning June 27. Also beginning on June 6, Southwest Airlines will add a second daily flight to Honolulu, Hawaii.

“Southwest Airlines continues to grow its presence at San Diego International Airport and we are thankful for the new flights to Maui and added a daily flight to Honolulu,” said Kimberly Becker, San Diego County Regional Airport Authority President and CEO. “Hawaii and Southern California are popular vacation destinations, both offering an abundance of outdoor recreation opportunities. We anticipate the new service will be popular for both Hawaiians looking to come to the mainland and San Diegans looking for a domestic tropical vacation experience.”

Voted "Best Island in the U.S." by Condé Nast Traveler, Maui is home to quaint towns, farms, and take-your-breath-away sunrise and sunsets. Honolulu is the capital of Hawaii and offers everything a cosmopolitan city could imagine including fine dining, shopping, historic landmarks, endless hiking, and the world-famous Waikiki Beach. For available flight days and times, please visit southwest.com.

SAN has achieved [Airports Council International's](#) (ACI) [Airport Health Accreditation](#) for its “Let’s Go Safely” program which prioritizes the health and safety of passengers, employees, and the community through several modifications and improvements at the airport. Health and safety modifications that have been implemented throughout the terminals, Rental Car Center, Parking Plaza, and Airport Authority administration building includes increased cleaning of high touchpoints, electrostatic spraying, signage on preventive health measures, floor decals, and seat separation signage to queue six-foot social distance, hand sanitizer stations, Plexiglas sneeze guards in certain public spaces, and face masks are required on all airport property. To learn more about what SAN is doing to ensure the health and safety of its customers, please visit san.org/gosafely.

ABOUT SAN DIEGO INTERNATIONAL AIRPORT (SAN)

San Diego International Airport (SAN) is the busiest single-runway commercial service airport in the U.S. and the third busiest airport in California. In 2019, SAN welcomed 25-million passengers and offered nonstop flights to destinations worldwide. The airport is an economic driver for the region, contributing nearly \$12 billion in economic activity in 2019 and supports nearly 116,600 jobs. With anticipated passenger growth in the future, the Airport Authority is continuing progress with the New T1 program that will replace Terminal 1 with a larger, more efficient facility and other improvements that enhance the airport experience. The airport is managed and operated by the San Diego County Regional Airport Authority. For more information, please visit san.org.
