### ABOUT SAN DIEGO INTERNATIONAL AIRPORT

Owned and operated by San Diego County Regional Airport Authority (Airport Authority), San Diego International Airport (SAN) is the third largest airport in California. SAN is a single-runway commercial service airport conveniently located minutes from Downtown San Diego. SAN serves 11 nonstop international routes to Europe, South America and Asia and it contributes nearly \$12 billion in economic activity for the San Diego region. In September 2025, the Airport Authority opened the first phase of the new Terminal 1, a larger and more efficient facility that has greatly enhanced the customer experience at SAN. Once the New T1 project is complete in 2028, it will feature a total of 30 gates and will have generated more than \$4.5 billion for San Diego’s economy and created more than 25,000 jobs, paying a total of \$2 billion in wages to local workers. For more information about SAN, please visit [san.org](https://san.org).

### ABOUT SAN DIEGO WORKFORCE PARTNERSHIP

The San Diego Workforce Partnership (SDWP) serves as the region’s local workforce development board under the federal Workforce Innovation and Opportunity Act (WIOA). Its mandate is to strengthen the regional economy by aligning education, training and employment systems to help all San Diegans, particularly those facing barriers to employment, access quality careers that lead to economic mobility.
