Liability and responsibility for such Permittee Releases shall include, but not be limited to:

Failure to act promptly to immediately remedy the Permittee Release may result in a determination by the President/CEO or his/her duly authorized representative to

expend Authority resource to protect public health and safety, or property, or the environment. Permittee shall reimburse Authority within five (5) days of Authority's demand for payment.

- 13.2.5 Permittee shall cooperate with Authority, as reasonably requested from time to time by Authority, to ensure that Permittee's operations at, or use of, the Airport will not unreasonably interfere with Authority's implementation of its San Diego International Airport Wildlife Hazard Management Plan and the Authority's "Biodiversity Plan" available at <https://www.san.org/green/>, both of which contain provisions to reduce wildlife hazards at the Airport. Acting in a manner to attract wildlife or to provide food, water, or harborage for wildlife while on the Airport is expressly prohibited. Permittee acknowledges that this Permit may create a possessory interest and that such interest may give rise to a real estate or possessory interest tax. In such event, Permittee shall be solely responsible for the payment of said possessory interest taxes and agrees to pay such taxes if and when they become due. Payment of all such taxes and charges shall be the sole responsibility of Permittee.
